

## PROTECTOR SERIES FRAMELESS GLASS COUNTERTOP

Divide and protect with transparency

Due to the COVID-19 pandemic, social distancing and personal protection have become the new norm in order to stay safe. The Protector Series is designed specifically to protect you in public spaces.

The Transparent Protector Series Frameless Glass Countertop is an important tool that helps users maintain contact while still being protected. This product is ideal for reception areas in hospitals, clinics, store counters, and governmental services. This countertop barrier is extremely easy to clean and sanitize.
